

REMARKS

Applicants add the subject matter of claim 3 to the specification at page 17, between lines 25 and 26, to ensure exact correspondence between claim 3 and the specification.

An original claim provides basis for amending the specification to agree with the claim.

The changes being made are simply editorial in nature and no question of new matter or questions of further search arise.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,

Peter D. Olexy
